

Medical Record No. : 2305-01548

Patient's Name : RUBAB FATIMA

Father / Husband :

Age / Gender : 14 Year(s) / Female

Phone : 03336500723

CNIC / Passport No.: - - - /

Referring Physician : DR. ARIF MAHMOOD , MRCP

Invoice No. : 231105-01548

Specimen Collected : Inside the Lab.

Requested on : 14/11/2023 01:35 PM

Reported on : 14/11/2023 05:51 PM

Report Destination : Model Clinic 041-8722212

## BIOCHEMISTRY

| Test Name                           | Results | Unit    | Normal Range                          | Previous Result & Date |
|-------------------------------------|---------|---------|---------------------------------------|------------------------|
| <b>L.F.T. (Liver Function Test)</b> |         |         |                                       |                        |
| BILIRUBIN TOTAL                     | 0.4     | mg/dl   | 0.1 - 1.0                             |                        |
| BILIRUBIN CONJUGATED                | 0.1     | mg/dl   | 0.0 - 0.5                             |                        |
| BILIRUBIN UNCONJUGATED              | 0.3     | mg/dl   | 0.1 - 0.75                            |                        |
| ALKALINE PHOSPHATASE                | 101     | U/l     | Adult : 35-130<br>Children : Upto 462 |                        |
| SGPT (ALT)                          | 29      | U/l     | 00 - 41                               |                        |
| SGOT (AST)                          | 50      | U/l     | 08 - 40                               |                        |
| <b>PROTHROMBIN TIME (P.T.)</b>      |         |         |                                       |                        |
| PROTHROMBIN TIME (P.T.T)            | 15      | Seconds | (Control: 13 Seconds)                 |                        |
| I.N.R.                              | 1.37    |         |                                       |                        |
| SERUM CREATININE                    | 0.75    | mg/dl   | 0.6 - 1.1                             |                        |
| A.P.T.T.                            | 42      | Seconds | (Control: 38 Seconds)                 |                        |

Electronically verified report, No signature(s) required.

Lab. values should always be correlated with clinical picture. Normal range(s) and Unit(s) shown are for most recent results.  
This report is based on sample analysis & needs clinical correlation. The referring physician may contact reporting pathologist for details. Not valid for court.
